Dedication

RICHARD H. DELANO

Head of Language Departmen.

Princeton University, 1934

M.A., Harvard University, 1937
University of Minnesota, 1941-42
Master at Lake Forest Academy, 1943

To Richard H. Delano—we, the seniors, and the staff of the 1947 *CAXY*, take great pleasure in dedicating this annual. It is through his method of teaching modern languages in streamlined fashion that many a language student masters—German, French, Russian, or Spanish. Although putting us to the grindstone in class, he never fails to amuse the "alumniate." Probably the main thing that he possessed which will be remembered most in the future is his sturdy, well-proportioned "Robinson" hat, which has been continuously used for the foundation of frequent humor. As we leave LFA, the fundamental process of learning a language will have become part of us; and his friendship, advice, and encouragement will remain with us always. Even though we must now say our *auf Wiedersehen's*, *au revoir's*, and *adios's* he will remain within us all an outstanding symbol of our preparatory school education. To him we express our sincere thanks.

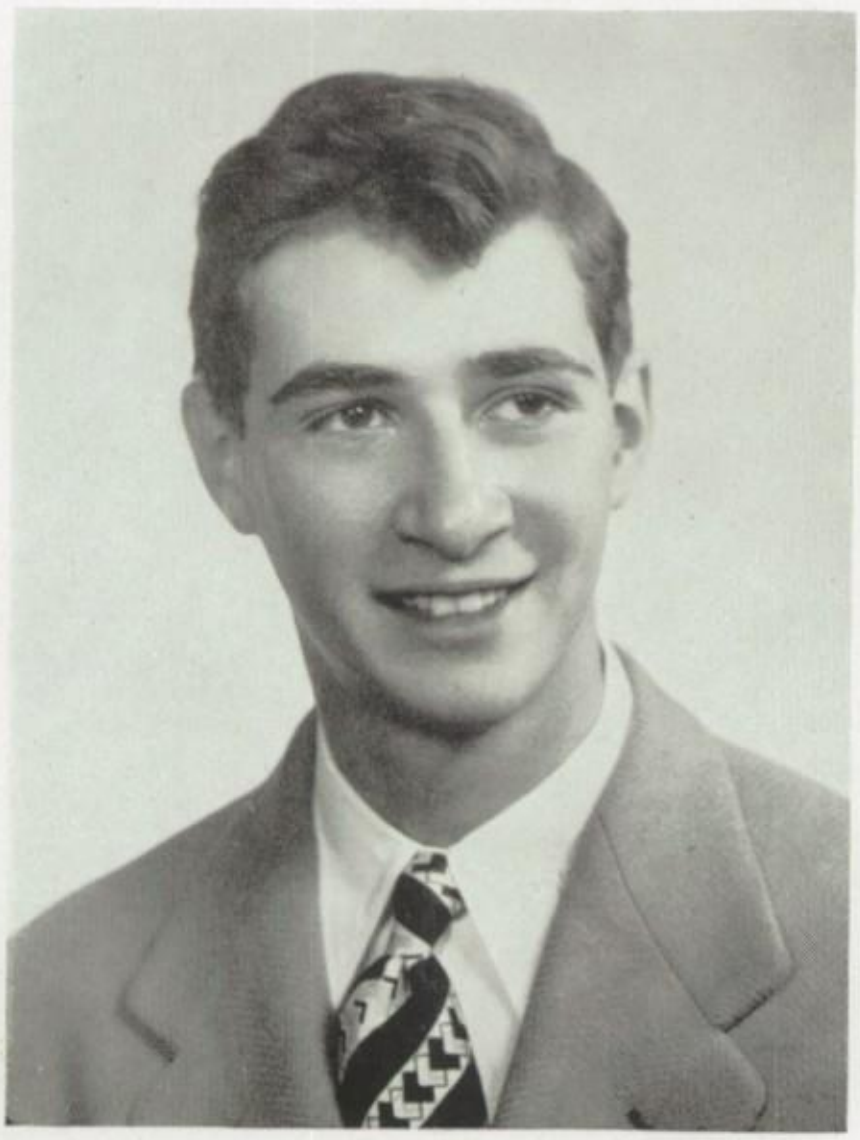
STANLEY DAVIS ANDERSON, JR.

Orange Club; Lightweight Soccer, 1, 2; Varsity Soccer, 3, 4; Intramural Basketball, 2, 3; Junior Track, 1, 2; Junior Varsity Tennis, 3; Varsity Tennis, 4; Letterman's Club, 4; Forum, 4; Mechanics Club, 3.

Every morning, a frozen figure comes hurtling in on a bicycle. It could be no one but Andy braving the elements to remain one of the "chosen few" four year day-boy seniors. Stan has been an ardent participant in soccer for four years and proved his virtue by earning a varsity letter during his senior year. Andy's ability to win the fairer damsels of Lake Forest has amazed us all, and he is reputed to be a true dealer throughout this vicinity. We wondered for a while where his attentions were centered; but it was soon discovered that the night life of Travers City, Michigan, was the answer. Stan plans to attend Washington and Lee University, and we know he will make a name for himself there.



ROBERT JOHN BALLENGER

Black Club; Orange and Black Football, 1, 2; Varsity Football Manager, 3, 4; Orange and Black Basketball, 1, 2; Varsity Swimming, 3, 4; Varsity Track Manager, 2, 3; Letterman's Club, 3, 4.

Bob has been at LFA during his entire high school career and is now among the top ranks as a senior. Coming from Highland Park, where he has resided all of his life, Bob is one of the better known day boys and is known especially for his leadership in the school's outside social life. Due to a back injury sustained some years ago, Bob's athletic career has been partially hampered. During the winter, however, he shows his merit as one of the outstanding members of the varsity swimming team. He won his varsity letter in both his junior and senior years. We will not see much of Bob in the future for his plans point to the West and the University of Colorado.

EMERY BALOG

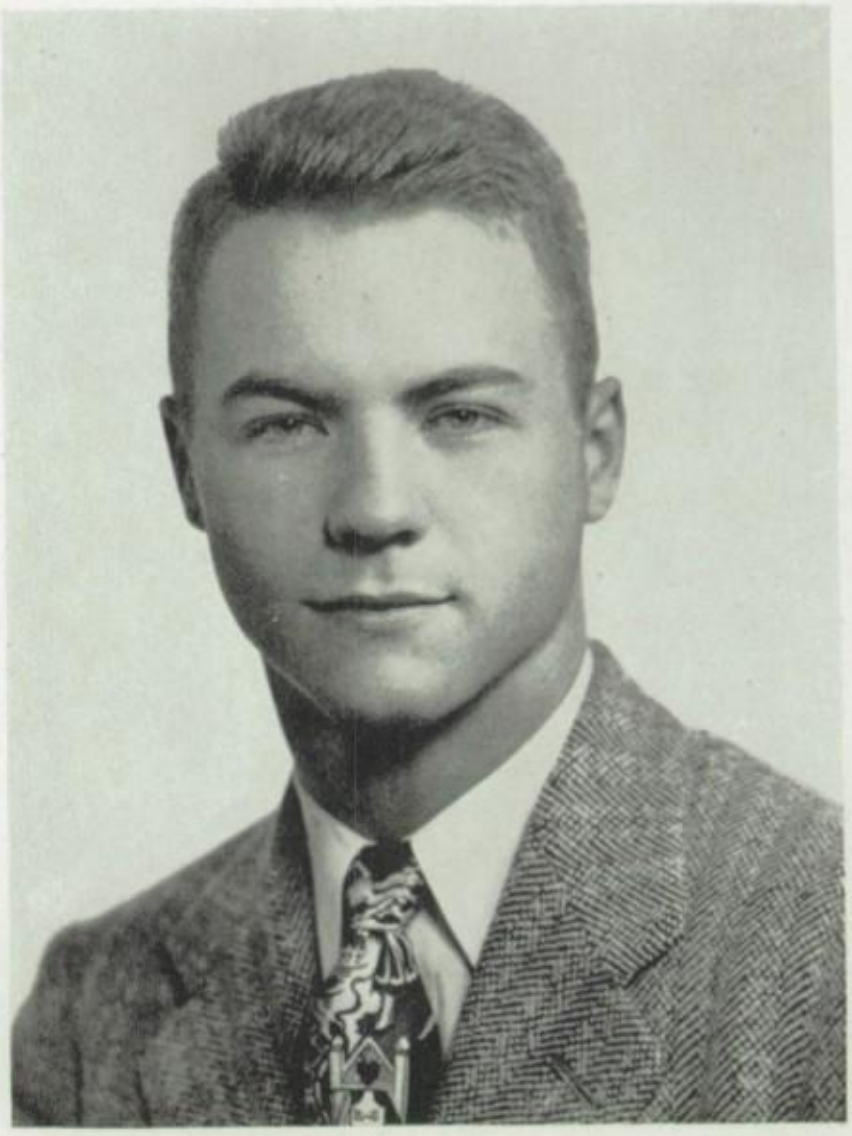
Black Club; Varsity Football, 4; Varsity Basketball, 4; Varsity Baseball, 4; Letterman's Club, 4; Senior Choir, 4; Glee Club, 4, President, 4.

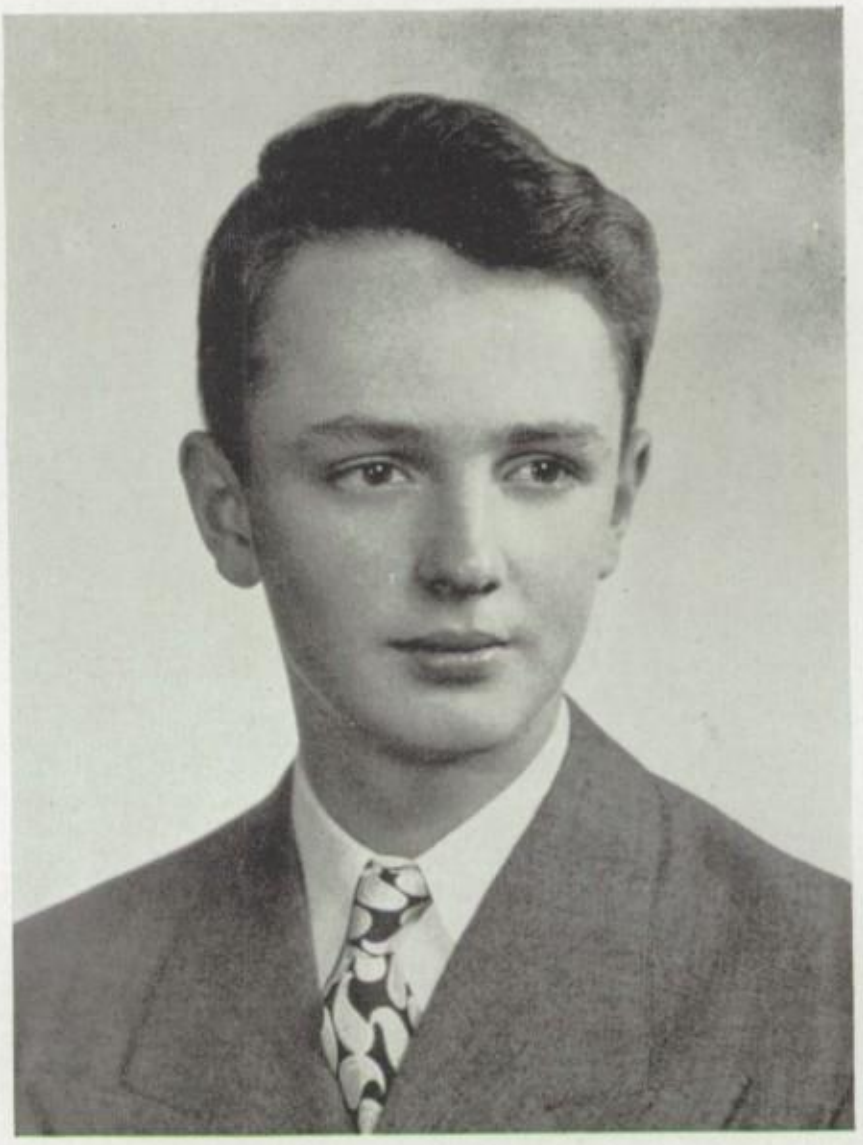
Buddy Balog, the answer to a coach's dream, entered Lake Forest Academy this year. After making All-State Indiana tackle at East Chicago, his all around play easily warranted him an end position on the Mid-West Prep All-Conference football team. A big asset on LFA's gridiron, it soon became evident that he would continue with his outstanding ability on the basketball floor and on the diamond. "Vaughn," as he is known to Remsen House residents, was elected president of the school Glee Club in addition to his participating in other school activities. His versatile personality has won him the respect and friendship of all on campus. We all wish him the utmost success at Northwestern University.

JAMES DAVID BARTLETT

Black Club; Varsity Football, 2, 3, 4; Varsity Swimming, 2, 3, 4; Varsity Track, 2, 3, 4; Letterman's Club, 2, 3, 4; *Caxy*, 3, Photographic Editor, 3; *Spectator*, 3, 4, Photographic Editor, 3, 4; Camera Club, 2, 3, 4, President, 3, 4; Gargoyle, 3, 4; Forum, 4; Remsen House President, 4; Follies, 3, 4.

One of the all-around members of the senior class, Jim came to LFA as a sophomore from Indianapolis. A member of the varsity football team for his entire three years, Jim's smashing drives provided many thrills for all. He was also an outstanding diver on the swimming team and a reliable sprintman on the track team. As one of LFA's ace photographers, Jim served in all photographic activities, including the Camera Club, the *Caxy*, and the *Spectator*. Jim's outside interests are numerous and varied. As an active co-chairman of O-FALFHS, he has done a fine job as a representative of LFA. When Jim moves on to Purdue next year, one can be assured that he will carry on in his usual, well-spirited style.





ROBERT KIRKWOOD BELT, JR.

Orange Club; Junior Varsity Football, 3; Orange and Black Football, 4; Varsity Swimming, 3; Varsity Basketball Manager, 4; *Spectator*, 4; Forum, 4; Glee Club, 4.

Two years ago Highland Park lost another of its fine gentlemen to Lake Forest Academy. In keeping with the fine tradition set by other Highland Park boys, Bob has set his sparkling personality on the school with great results. Many borders cannot understand why Bob is not a day student; but the long, arduous tramp through the wilds of Ravinia to his humble abode loomed as an insurmountable obstacle. In view of this situation Bob occupies a luxurious suite among the elite on the third floor of Remsen House. If you hear Fred Waring's melodic tunes floating through the ancient corridors of Remsen, these sounds are sure to be coming from Bob's room. Next year Bob plans to attend Williams College.

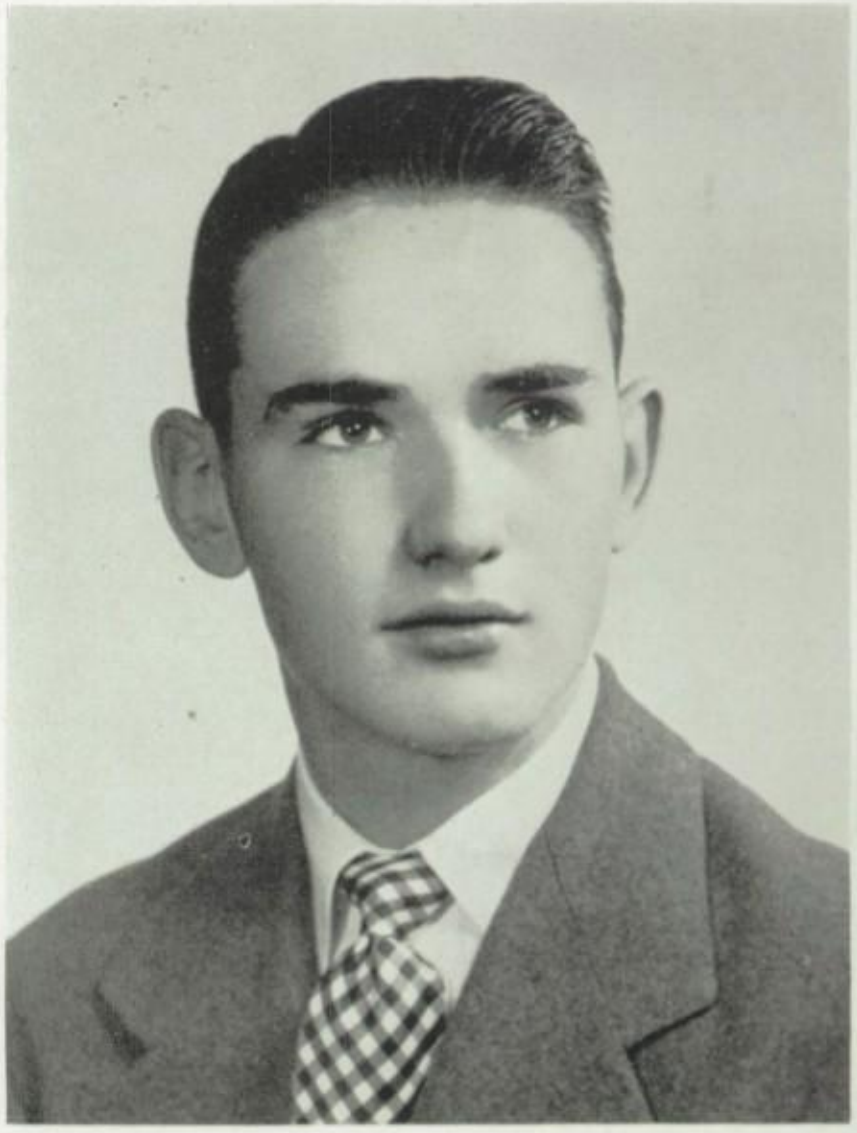
DAVID BROMWELL CARY

Orange Club; Lightweight Football, 2; Varsity Soccer, 3; Orange and Black Football, 2, 3, 4; Orange and Black Soccer, 3; Varsity Basketball, 2; Junior-Senior Basketball, 3, 4; Varsity Track, 2; Orange and Black Track, 2; Golf, 3; Varsity Golf, 4; Letterman's Club, 3, 4; Fishing Club, 2; Glee Club, 3; Forum, 3, 4; Gargoyle, 4; *Caxy*, Business Manager, 4; *Spectator*, 4.

When you think of Greenbush, you can think of only one other synonym. That synonym is none other than the businessman of the senior class, Dave Cary. One of the select men of the fourth floor, Dave has made a fine and enviable record during his three years at LFA. His activities throughout the years were unlimited, and he had the distinction of never having been in day study hall. Dave was well liked by everyone on the campus and did a great deal towards making school life more enjoyable. His scholastic feats were equalled only by his social dealings, in which he was renowned all over the north shore. An all-around student in every phase of school life, Dave was always one to strive for perfection. Wharton University will be the scene of future activities of this Greenbush businessman.

JACK REYNOLDS CLAGHORN

Black Club; Banty Football, 1, 2; Junior Varsity Football, 3, 4; Lightweight Basketball, 1, 2; Varsity Swimming, 3, 4; Junior Track, 1, 2, 3; Varsity Track, 4; Varsity Tennis, 3; Dance Committee, 4; Glee Club, 4; *Caxy*, 4; *Spectator*, 4; Gargoyle, 3, 4.

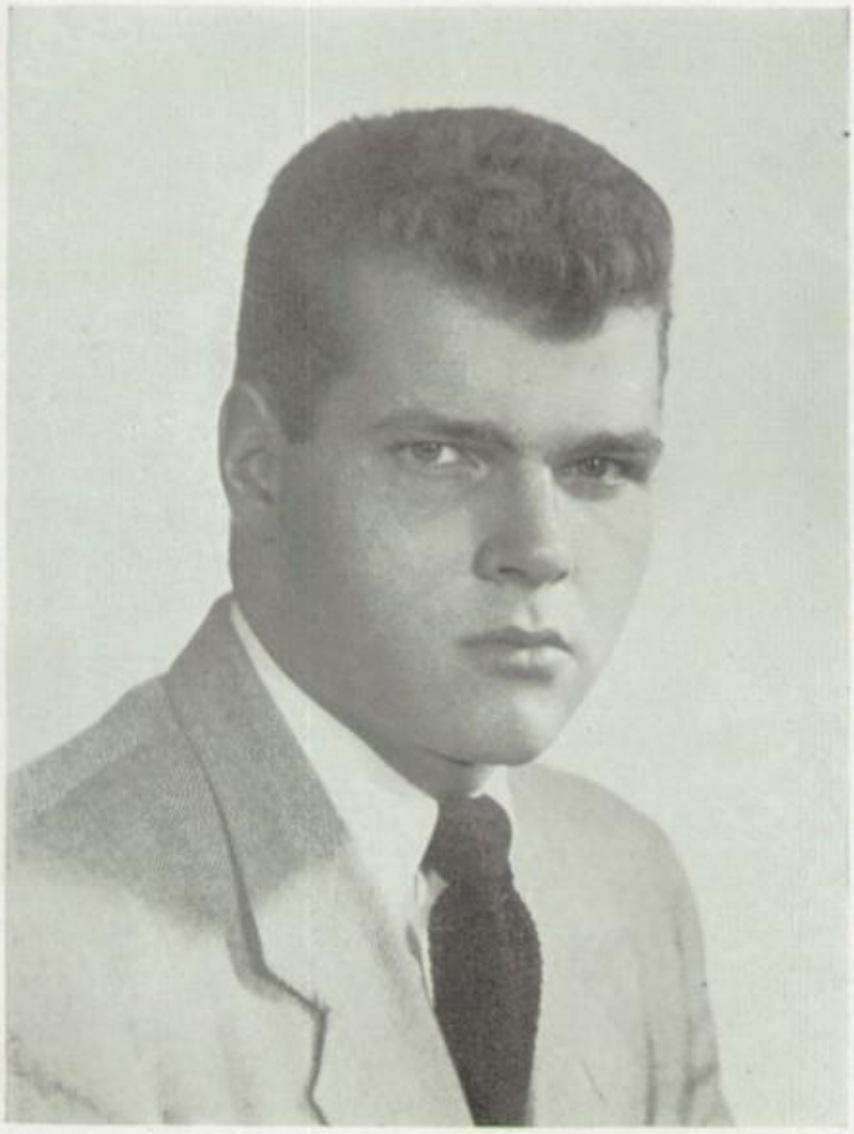


Who's making all that noise? Ask anyone who lives in East House. He's bound to say that it's "Clag." Gifted with a tricky pen and witty tongue, Jack has given us lots of laughs from his Rad-Ne-Lac column in the *Spectator*. Jack has also been a member of the All-Star Orange and Black football team, the varsity swimming team, and the track team. His extra-curricular work includes such activities as the Glee Club and the Gargoyle Club. "Clag" is by no means a bo-jack; he has been an LFA man for four years. Next year Jack hopes to attend Cornell University in Ithaca, New York. But wherever he goes, he will be appreciated by everyone.

JOHN WILLIAM DYSON

Orange Club; Varsity Football, 2, 3, 4; Varsity Basketball 2, 3, 4; Varsity Baseball, 2, 3, 4; Letterman's Club, 2, 3, 4; Class President, 2; Glee Club, 2, 3, 4; Senior Choir, 2, 3, 4; *Spectator*, 4; Gargoyle, 3, 4; Prom Committee, 3; Follies, 3.

"Dys", as John is commonly known around campus circles, came to LFA as a sophomore from Viroqua, Wisconsin. His first year saw him as a member of the varsity football team, and he has remained there ever since. In everyone's estimation "Dys's" greatest feat was his return of the opening kickoff against Elgin for a touchdown. Of course, John is noted around the campus for his many other activities. Among other things, he is one of the few fellows who continually has cigarettes—a great feat in itself. So far "Dys" has been undetermined in the choice of a college; but whether it be Washington and Lee or Northwestern, he will be a success. Here's wishing luck to a swell fellow, whom LFA will always remember.



THOMAS MILTON ELLIS III

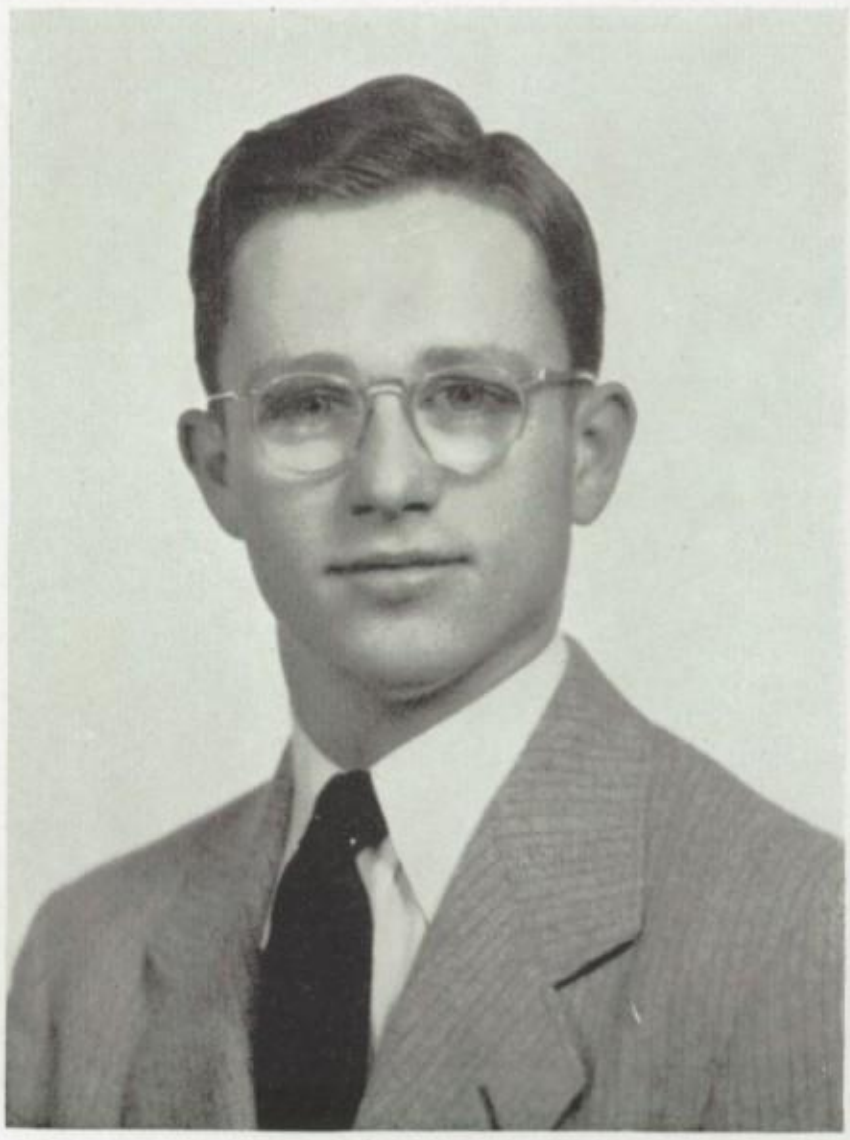
Black Club; Varsity Football, 3, 4; Junior-Senior Basketball, 3, 4; Varsity Track, 3; Varsity Golf, 4; Letterman's Club, 3, 4; Gargoyle, 3, 4; Dance Committee, 3, 4; Forum, 4.

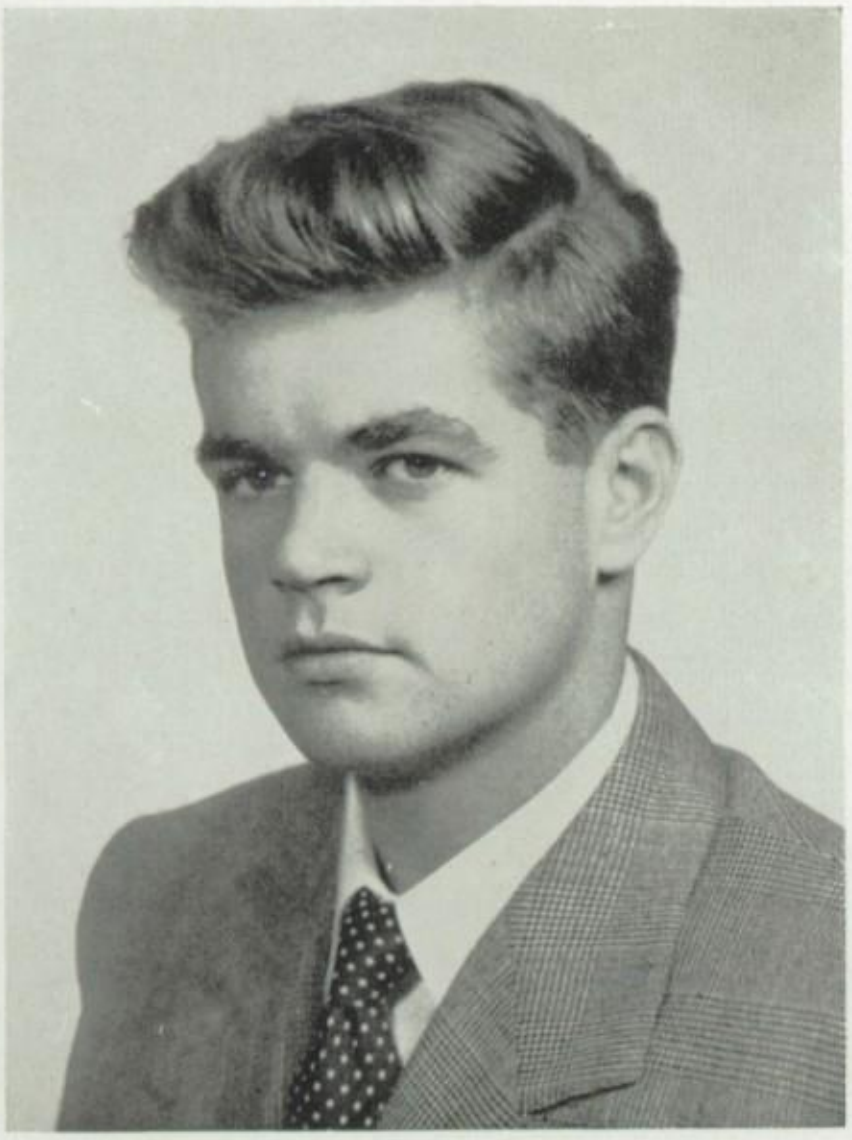
Two years ago, LFA was fortunate in acquiring that strong man from Beloit, Tim Ellis. Ever since then, Tim has been among the leaders of the school, both academically and physically. He was listed on the all-conference football team for two consecutive years. This alone would take up the time and ambition of most people, but Tim was not content with these achievements. Tim's work in the classroom has always been near the top. Through most of his two years at LFA, he has kept a strong grip on a B average. Tim excels too, in his associations with the fairer sex. Most of the school has heard of "Soozie", "Mell", and others. The school suffers a loss, indeed, when Tim leaves to enter Northwestern University.

PHILLIPS HUNGERFORD

Black Club; Varsity Football, 3, 4, Captain, 4; Varsity Basketball, 3, 4; Varsity Track, 3, 4; Letterman's Club, 3, 4; Student Council, 4, President, 4; Athletic Council, 4; Disciplinary Committee, 4; Forum, 4; Dance Committee, 4.

Few fellows could ever top or hope to top the record of Phil Hungerford. "Hungy" came to LFA in his junior year from the deep South. His main accomplishments were being captain of the 1946 varsity football team and the highest honor a student can obtain—being president of the Student Council. In his junior year he helped drive the basketball team to victory in the Mid-west Prep Conference Tournament. Along with his other accomplishments Phil rates high in the academic department. Princeton will be proud to welcome this great fellow next year; and we are not only sure, but positive that he will succeed there as he has so assuredly done here.





EDWARD JAMES HUTCHESON

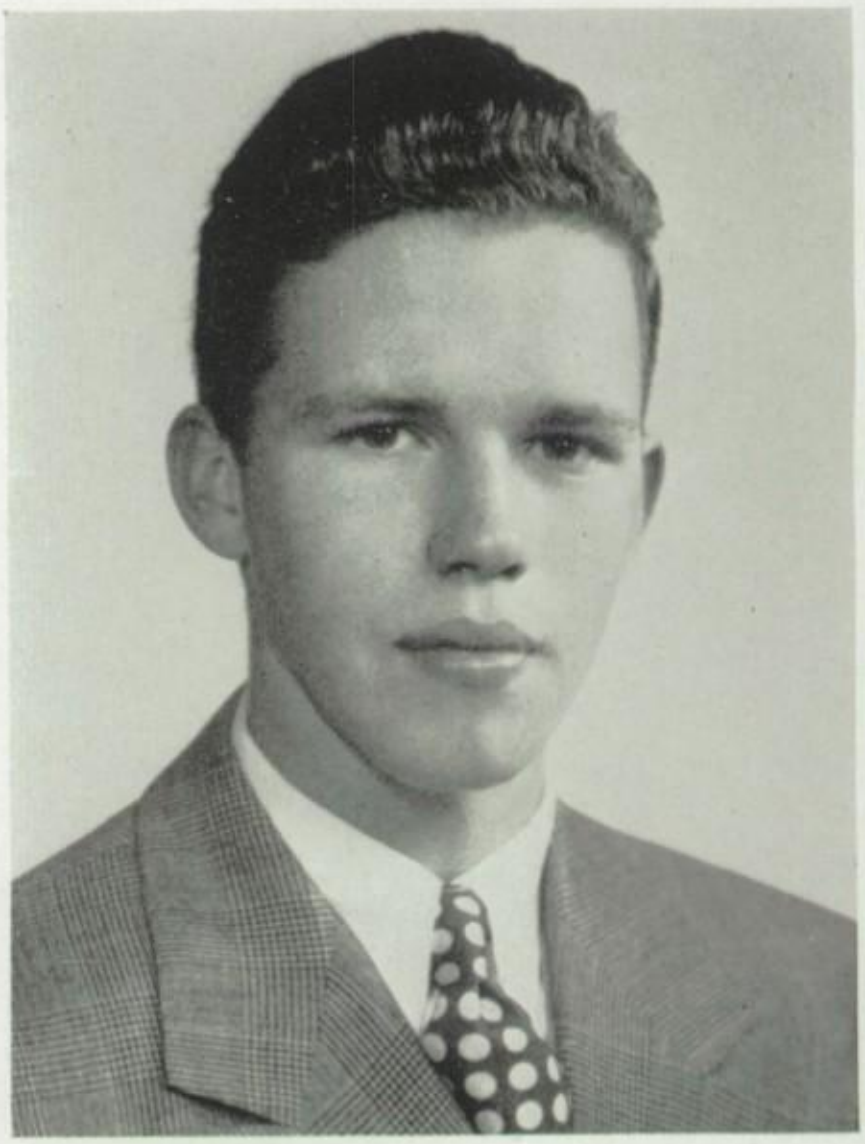
Orange Club; Varsity Football, 4; Varsity Swimming, 4; Varsity Baseball, 4; Letterman's Club, 4; *Caxy*, 4, Art Editor 4; Gargoyle, 4.

"Chicago is a suburb of Oak Park." Quotations such as these along with the playing of the top jazz recordings float through the halls of the East House fourth floor thus introducing Eddie "John Weismueller" Hutcheson. "Hutch" entered LFA this year as a post graduate and immediately captured the hearts of everyone with his dynamic personality. As an athlete Ed played outstandingly as end on the varsity football team and was a star member of the swimming team. His dealings along the North Shore were numerous and extensive as "God's gift to women" knew not the word "Wallflower." Yes, we can say that Northwestern is gaining a right guy in Ed Hutcheson.

WILLIAM LEO KEADY, JR.

Black Club; Junior Varsity Football, 2, 3; Varsity Football, 4; Junior-Senior Basketball, 2, 3, 4; Varsity Baseball, 2, 3, 4; *Spectator*, 4, Business Manager, 4; Gargoyle, 3, 4; Glee Club, 3, 4; Mechanics Club, 3; Dance Committee, 3, 4.

Here he is, Deerfield's gift to LFA, Bill Keady. During his three years here, Bill has not only been a student in his own right; but also a standout on the athletic field, having been a capable end on this year's varsity football team. This year Bill was a day student catching up on those furious weekends that characterize the said group. His boarding days, however, did not lack the usual fun had by boarders. To prove this, one would have only to ask the boys at Delavan or Kenosha. But looking back on all the good times we have had with Willie, we shall all miss him at LFA as we would miss any all-around fellow. So long, Bill, and here's wishing you luck at Princeton.



HATHAWAY CLARK KEMPER

Black Club; Junior Varsity Football, 2, 3, 4; Varsity Baseball, 2, 3, 4; Orange and Black Football, 2, 3, 4; Frosh-Soph Basketball, 2; Junior-Senior Basketball, 4.

Whenever one sees a two-toned Chevrolet dart from the parking lot, it is safe to say that Hath Kemper is rapidly approaching his beloved Highland Park. Hath has been at the academy for three years; and although he has not been outstanding in any one field, he has played an integral part in academy life. Last year Hath was one of Mr. Arpee's best linemen, and this year he repeated himself. It has been said that Hath is quite a baseball player; however, in the spring it is extremely difficult to locate him after three o'clock. Hath has been unable to decide upon a college for next fall, but we are confident that he will do well wherever he goes.

GEORGE S. LANDFIELD

Orange Club; Junior Varsity Football, 3; Varsity Soccer, 4; Junior-Senior Basketball, 3, 4; Varsity Baseball Manager, 3; Varsity Baseball, 4; Letterman's Club, 3, 4; *Caxy*, 3, 4, Editor 4; *Spectator*, 4; Camera Club, 3.

"Where are you living now, Landy?" his many friends frequently ask him. "Well, it's Los Angeles now, I think." Between George's frequent excursions, he finds time to work on the *Caxy*, the *Spectator*, and to show his abilities in both the academic and athletic departments. In his junior year George was the manager of the varsity baseball team, and he was an able halfback on the varsity soccer team in his senior year. Most of his time, however, was devoted to the *Caxy* of which he was editor. He could be found in his room during most of his free time slaving over his desk trying to meet deadlines. Whatever George plans to do, we are sure he will be successful as in the publication of the book you are now reading.

EDGAR R. LEWIN, JR.

Black Club; Junior Varsity Football, 3, 4; Varsity Swimming, 3; Junior-Senior Basketball, 4; Varsity Tennis, 3, 4; Glee Club, 4; Gargoyle, 4; *Caxy*, 4, Co-business manager, 4; Dance Committee, 4.

Since all the women from Pittsburgh to Lake Forest are clamoring for "Bud," we realize that he is one of the biggest and smoothest dealers on the fourth floor. Bud put in two years at LFA and proved to himself and to his many friends that his home town, Pittsburgh ("The hottest town in the U.S."), has given us a future tennis star and a record-breaking swimmer. Besides excelling in athletics, "Bud" has a perfect system of blowing square smoke rings. Penn State is calling him next year, and we are sure that he will be as much a success there as he has been here.

JOHN ELMER LOHNES

Black Club; Varsity Football, 4; Varsity Basketball, 4; Varsity Track, 4; Letterman's Club, 4; Forum, 4; Class Officer, 4, Treasurer, 4; Athletic Council, 4; Glee Club, 4; Gargoyle, 4.

Jack came to LFA for the first time this year, but shortly after school opened in the fall he was a well-known boy on the campus. The fact that Jack was one of the best quarterbacks that LFA has seen in many years was confirmed when he was chosen to the second All-Conference Football Team. He played varsity basketball and was one of the most outstanding men on the track team. His abilities were also applied to the Gargoyle Club and the Glee Club. Coming to LFA from Riverside, Illinois, he will head for Yale next year. Jack will long be remembered by everyone for his casual, easy going, smiling manner, and his bright original saying of "H'lo."

ROBERT G. LOPEZ

Orange Club; Junior Soccer, 3, 4; *Spectator*, 4; *Caxy*, 4.

Who kept the student average high while taking Delano's Russian? Who cared little for women and nothing for work? The "Senor" was the fellow who got to bed by ten o'clock every night and still had a high B average. School held no terrors for him, but work did; he abhorred it. If there was anything, anything, that would keep Bob from athletics, you would find him heartily endorsing it. One of the most popular and intelligent students of the school was this da-boi, who came in on the truck every morning through sleet or snow. As yet he is undecided about a vocation, although he would undoubtedly make a good humor writer. After two years at the Academy Bob has made a mark for himself, and he will continue to make friends at Princeton University.

JOHN MADDEN, JR.

Orange Club; Junior Varsity Football, 3; Orange Football, 3; Varsity Football, 4; Varsity Baseball, 3, 4.

John is one of the da-bois clan who has proved himself an honor student in studies and a good athlete on both the gridiron and the diamond. Speaking of honors, the subject of women is not new to J.M., who has also proven his good eye by his choices for academy dances. In the fall John gave his services to the varsity football team where he was a guard; and in the spring, he excelled in baseball in which he won varsity letters during both of his years at LFA. The faculty and students will long remember John as one of the happiest fellows who has ever graced the old campus. Yale calls Johnnie next year; and we know he can, and will pull through in whatever profession he chooses.

ROBERT EDWARD MADDEN

Black Club; Junior Varsity Football, 3, 4; Varsity Basketball, 3, 4; Varsity Track, 3, 4; Letterman's Club, 3, 4; Glee Club, 3, 4; Senior Choir, 3, 4; Gargoyle, 3, 4, President, 4; *Spectator*, 4; Follies, 3.

A flash of the comb identifies Bob, the pride of East House's fourth floor. In his two years at LFA Bob has proved himself an outstanding man on the campus. His social life was complete and varied, and his many stories of off-campus maneuvers along the North Shore astounded students and faculty alike. In athletics Bob has securely held his position on the varsity basketball team for his two years at LFA. He worked faithfully for such organizations as the *Spectator* and the Senior Choir, and he was elected president of the Gargoyle Club in his senior year. LFA wishes much success to Bob Madden as he continues his study of "Wild Life" at Iowa University.

ROBERT JAMES MATTESON

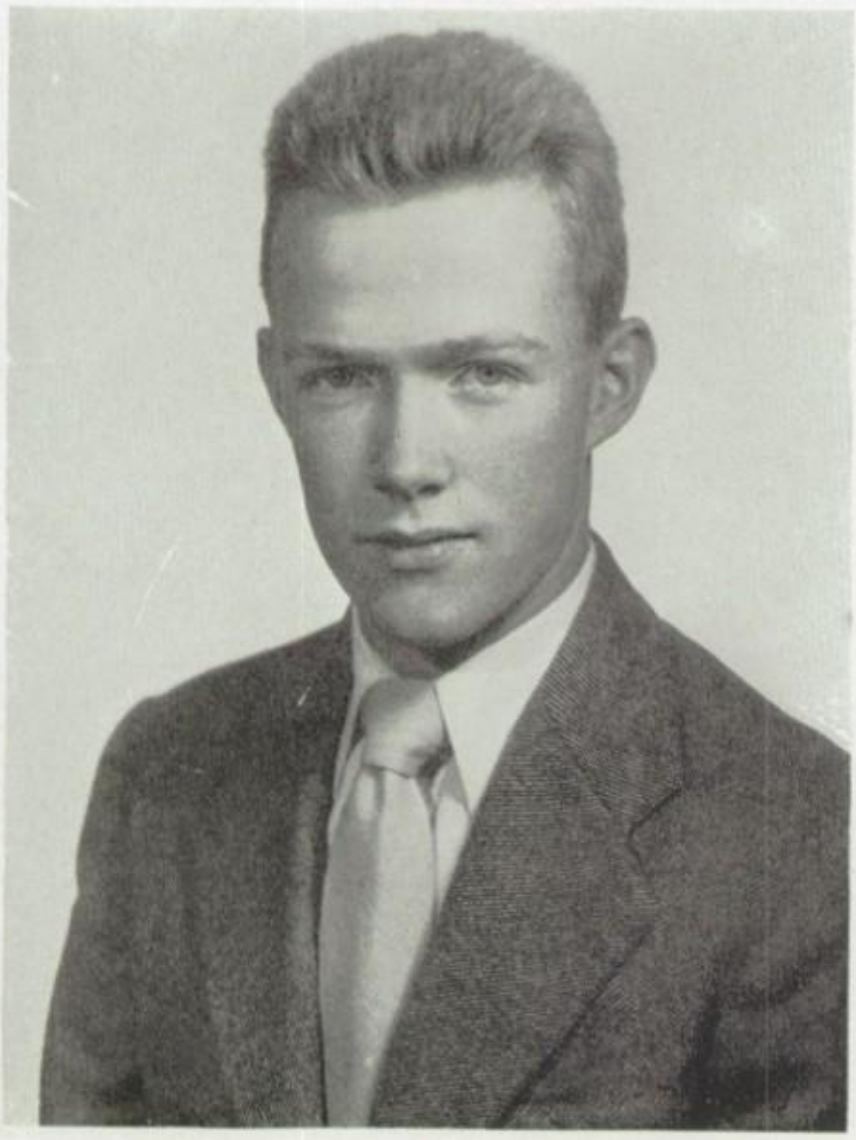
Orange Club; Varsity Soccer, 3, 4; Orange and Black Soccer, 3; Junior-Senior Basketball, 3; General Sports, 4; Letterman's Club, 4; Varsity Track Manager, 3, 4; Fishing Club, 3, 4; Forum, 4.

Bob, or "Whistles," as he is known to members of the East House fourth floor, is a two-year man at LFA. His strange nickname is the result of high-pitched, shrill whistles which keep continually drifting from his room. "Whistles" was a member of the varsity soccer team for both of his years at LFA. This year he won his letter by playing an outstanding game at left inside. In the spring Bob usually takes over the job of managing the varsity track team. He is especially proud of his home town, Flint, Michigan; but upon his graduation from LFA, he plans to enter the University of California. We know that he will be successful in his future undertakings, and we certainly wish him the best of luck.

ROBERT LAURY McMANUS

Orange Club; Junior Varsity Football Manager, 2; Varsity Football Manager, 3; Varsity Swimming, 3; Varsity Track, 2; Varsity Golf, 3, 4; *Spectator*, 4; Bowling Club, 3; Dance Committee, 3; Mechanics Club, 3.

Seven years of college confront Bob in Colorado College and the University of Michigan, for training for law, his chosen profession. We are sure that he will be a success in this profession if he continues as he has been doing in Mr. Fox's economics class. Being manager of the junior varsity football team gave him the experience he needed to turn in a top-notch job as varsity manager this year. The Da-Bois column in the *Spectator* was his specialty, as "Mac" thrived on slander. In the smoker you could hear him convincing an always attentive audience of how hard he worked. Poor "Mac"!! Being a day boy and from Lake Forest gave him, as all day boys, first choice of the women. His jovial manner always won him many friends. We want to take this opportunity to wish LFA's Clarence Darrow the best of luck.



CHARLES FOX MEAD

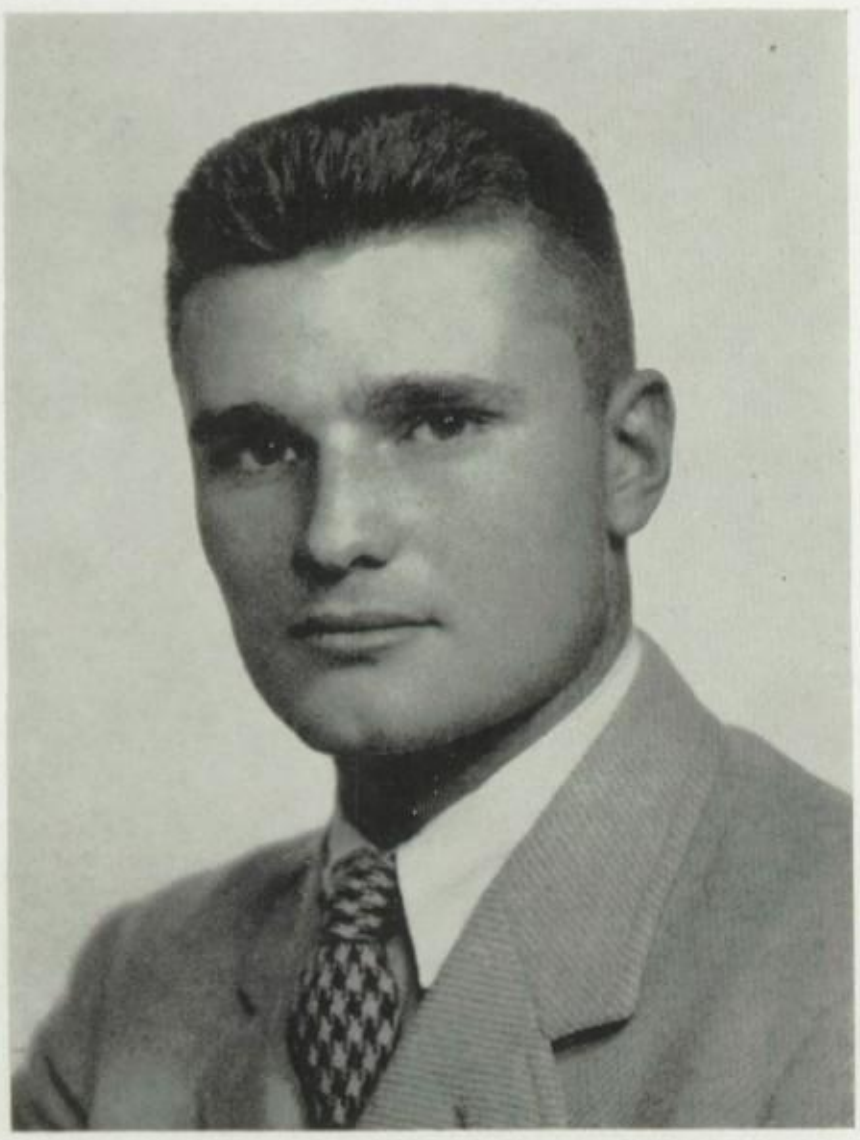
Orange Club; Varsity Football, 3, 4; Varsity Basketball, 3, 4; Varsity Golf, 3, 4; Student Council Treasurer, 4; Junior Class Secretary, 3; Gargoyle, 3; Junior Prom Committee, 3.

Ever since Chuck came to LFA as a junior, we have heard of nothing except the superfluous merits of Geneva and Wisconsin. "C.F.'s" wide-spread activities have been unlimited. A member of the varsity football, basketball, and golf teams, Chuck's fine spirit and ability more than made up for his size. In serving on the Student Council during his senior year, his steady, reassuring manner did much to improve the student policies of the school. Being an agressive type of person, Chuck always strove for perfection. His cheerful, striking personality was admired by everyone. Proof of this comes from his being elected to certain school offices. From LFA Chuck plans to enter the University of Wisconsin.

JOHN B. MORRILL

Orange Club; Soccer, 3; Varsity Soccer, 4, Captain, 4; Junior-Senior Basketball, 3, 4; Track, 4; Letterman's Club, 3, 4; Forum, 4.

A two-year man at LFA, John has proven his ability in all fields. On the athletic field John won his letter playing outstandingly at goal-guard on the soccer team. At the completion of this year's soccer season the squad elected him as captain of the team. On the basketball floor John is known for his accurate eye. He usually can be found in the gym practicing shots. He has kept a level B average through both of his years at LFA. John is interested in technical forestry and plans to enter Carleton College in the fall. We certainly wish him good luck for the future.



JERRY MORRISON, JR.

Waukegan is a town just north of here, but we would have never known it if Jerry had not come to LFA. Jerry is best known for his lack of a shaving set, although this took nothing from the personality that was hidden beneath. He came to us as a sophomore, and he is the only senior in school who holds the distinction of being a two and one-half year man. Jerry played on Ed Fleer's football teams for two years and held down a first-string guard position during both of these years. Until recently his most prized possession was a '46 Plymouth, but now he just walks from place to place. Jerry hopes to continue his education next year at Michigan.

Athletics, what's that? Thus speaks Dave all through the fall, but in the spring he captains the track team. One of the Janesville triad, Dave came to LFA during his sophomore year. Perhaps the most unique part of his stay is the fact that although he is a double-weekender, he has the distinction of taking more weekends than the single weekenders. Dave served in the capacity of editor-in-chief of the *Spectator* during his senior year and frequently amazed the local printer by turning his proofs in before the deadline. He was also a member of the Student Council in his junior and senior years. Dave's future plans point to Brown University, where he is sure to be a success.

Whenever Iowa is mentioned, a casual listener on the fourth floor of East House will immediately hear Bill jump to its defense. Coming to LFA from the corn country, Bill has made an enviable record both in his academic work and in athletics. During his junior and senior years, he maintained a strong B average. He was on the varsity soccer team in his senior year and on the swimming and tennis teams during both years. Bill had the lead in the Gargoyle play and was prominent as sports editor of the *Caxy* and staff member of the *Spectator*. Bill's love life was confined to Ferry Hall, where everything was always just "Ducky." Next year, LFA will lose a well-remembered personality to Harvard University.

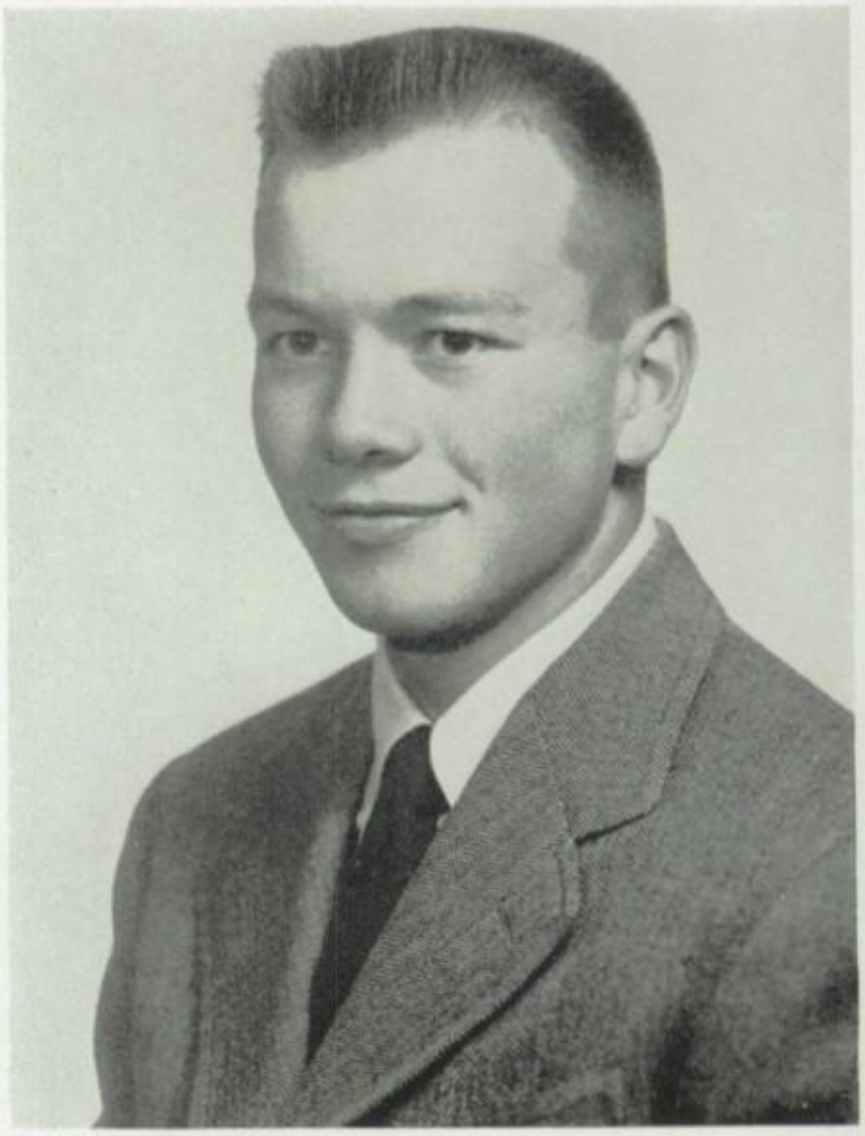
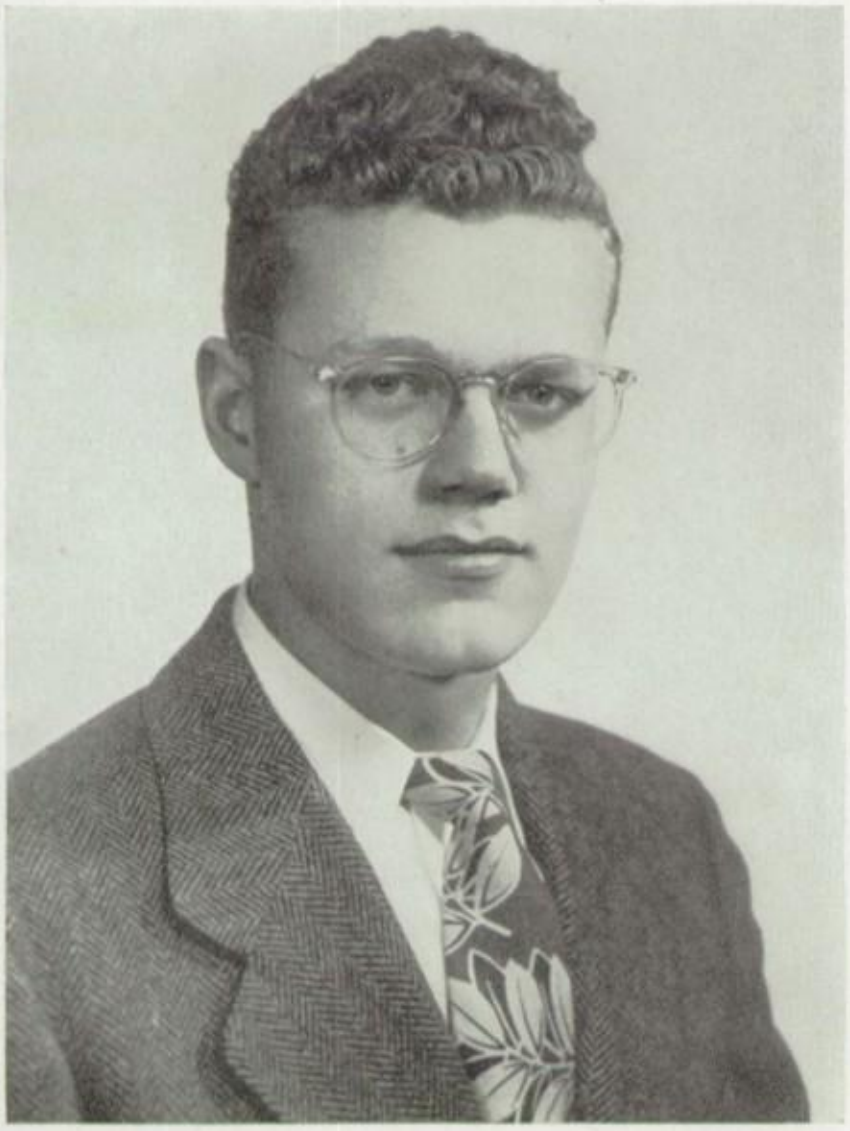
Being all-conference guard in his junior year did not stop Bud. From there he went on to coach the Orange Club's football team to an overwhelming victory over the Black Club. As co-coach with "Harpo" Bud instilled within his team the will to fight and to win, a factor which made him such an important man on the '45 varsity team. By this method of continually striving for betterment, Bud has moved ahead in the classroom and in extra-curricular activities perhaps more than any other member of the senior class. His amiable personality has made him the great leader that he is. Through his capability Bud truly exemplifies LFA's modernized motto, *For the Making of Leaders Among Men*. He is certain to be a success at Yale University.

JOHN DAVID OATMAN

Orange Club; Varsity Football, 4; Junior-Senior Basketball, 4; Varsity Track, 4; Letterman's Club, 4; *Spectator*, 4; Forum, 4.

Dave, also known as "Coolie Labor" because of his Chinese pajamas, came to LFA this year after climaxing a sensational career at Geneva High School. After spending several long weeks at football camp, "Coolie" decided (against the advice of his closer friends) to settle down among the barbarians of the fourth floor, East House. There he quickly established the reputation of being a genuine "rah-rah-boy," and he is known over the campus for his participation in the "contests." He was always credited with being a conscientous worker and in most cases a successful one. In athletics he was a standout at tackle on the football team, and he was also a member of the track squad. We know that Dave will continue to be successful at Colorado College.





JAMES GRANT OLSON

Black Club; Lightweight Football, 2; Varsity Soccer Manager, 3, 4; Intramural Basketball, 1, 2; General Sports, 3, 4; Varsity Swimming, 4; Junior Baseball, 1, 2, 3; Letterman's Club, 3, 4; Mechanics Club, 2, 3; Russian Club, 2; *Spectator* 4, Associate Editor, 4; Forum, 4.

That boy you have seen gliding through the halls with his huge library of reference books is known to the hierarchy of the senior class as "Ole," though his passport from Waukegan gives his name as James G. Olson. Jim has been at LFA for four years and has been one of the pillars upholding the traditional day boy way of life. He has consistently made high grades in his scholastic work while carrying on many other assorted activities which include being manager of the varsity soccer team and associate editor of the *Spectator*. In the fall Jim will enter Swarthmore where he is bound to have as much success as he has had here at the academy.

Four years ago George arrived at LFA. Throughout his entire four years, he has participated in almost every worthwhile campus activity. Due to a severe knee injury, George was unable to play football and had to be content with the responsible position of varsity football manager. In his junior and senior years he turned in a creditable performance as a member of "Uncle Lou's" track squad. Among his many accomplishments is the fact that he has repeatedly stood high in his class scholastically, although he is not a bookworm. George will long be remembered at LFA for his numerous orations on the disadvantages of the ball-point pen. He hopes to attend Brown University, and we all wish him the same success there as he enjoyed here.

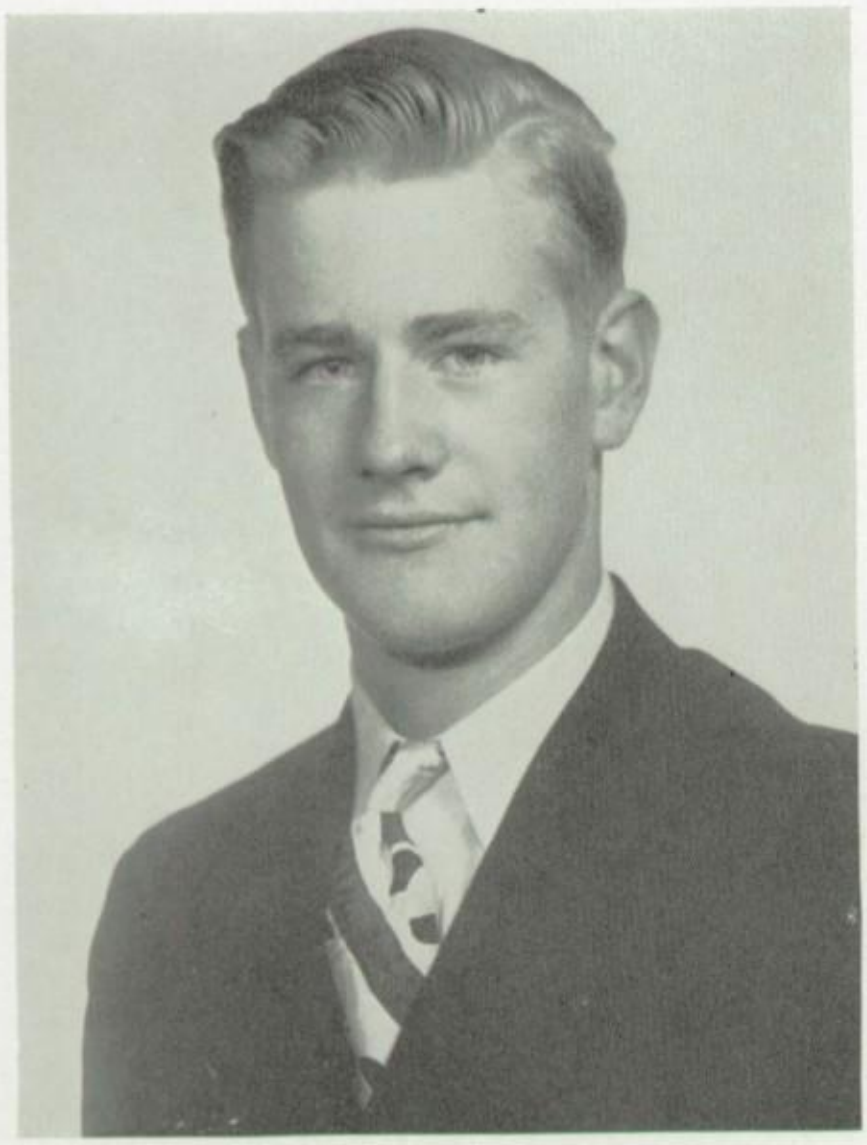
"Does anybody have a car?" That is the mournful cry that can be heard about three o'clock every afternoon from Mac—one of the few, but distinguished four-year day boys. His ping-pong table on wheels has broken down again, and he must be uptown at 4:30 to straighten out his love life. But whether he is walking or riding, Mac is always doing his best for LFA. He is headed for Williams and intends to go into engineering. His willingness is shown by his grades, and we are sure of his success at college and in later life. Mac was the main-stay of the soccer team this year, and he was also a participant in swimming and track.



WEBSTER MICHAEL RYAN

Orange Club; Banty Football, 1, 2; Junior Varsity Football, 3, 4; Junior Swimming, 1, 2; Varsity Swimming, 3, 4; Junior Track, 1, 2; Varsity Track, 3, 4; *Spectator*, 4; Mechanics Club, 3; Gun Club, 3; Chess Club, 3; Gargoyle, 4.

If you manage to cut your way into the smoker at most any time of the day, you will find Mike enumerating some of his droll ideas. Web, as he is known around Remsen's third floor, has proved himself an outstanding character during his four years at LFA. A real outdoorsman, Web is an accomplished hunter and horseman; and his conquests are known throughout LFA. He has also acquired an art that no other man is fortunate enough to have—that of holding a car on the road at the speed of sound. Although we have laughed at Web's ideas, we all wish him the best of luck at Purdue.

DAVID LAWRENCE SMITH

Black Club; Junior Varsity Football, 3; Junior-Senior Basketball, 3, 4; Varsity Golf, 3, 4; Dance Committee, 3, 4; Class Officer, 3.

That towering form strolling along the dark corridors of fourth floor East is Dave, the idol of many a freshman. Tall, blonde, and blue-eyed, Dave has won the respect and admiration of his classmates, as was proved when they elected him a class officer in his junior year. Dave insists that Davenport girls are best, and few argue after seeing a picture of Pat, his pride and joy. His many abilities included an expert stroke on the golf course, which was exhibited during both of Dave's years on the varsity golf team. Unfortunately, Dave's athletic career was limited because of a baseball injury. His talents in the social line surpassed the majority, and his service on numerous committees contributed much to the success of our dances. Next year Dave plans to attend Iowa "U."

ROGER WILLIAM STRECKER

Black Club; Varsity Football, 3, 4; Junior-Senior Basketball, 3, 4, 5; Varsity Track, 3, 4, 5; Letterman's Club, 3, 4, 5; *Spectator*, 4, 5; Forum, 5; Glee Club, 5.

A product of three years of LFA hardship and fun, Roge is one of the more elite members of the notorious day student mob. Not only being one of the "sly deals" up and down the north shore, he has also shown amazing ability on the athletic field. He played tackle on the varsity football team for two years. Roge came to LFA as a sophomore; and since then, he has been known for his hearty laugh and witty humor. When Roge leaves LFA, he plans to attend Brown University where we are sure he will make a name for himself as he has done here. With him go our wishes for success at college and whatever he may choose to do afterwards.

LOUIS EDWARD TILDEN, JR.

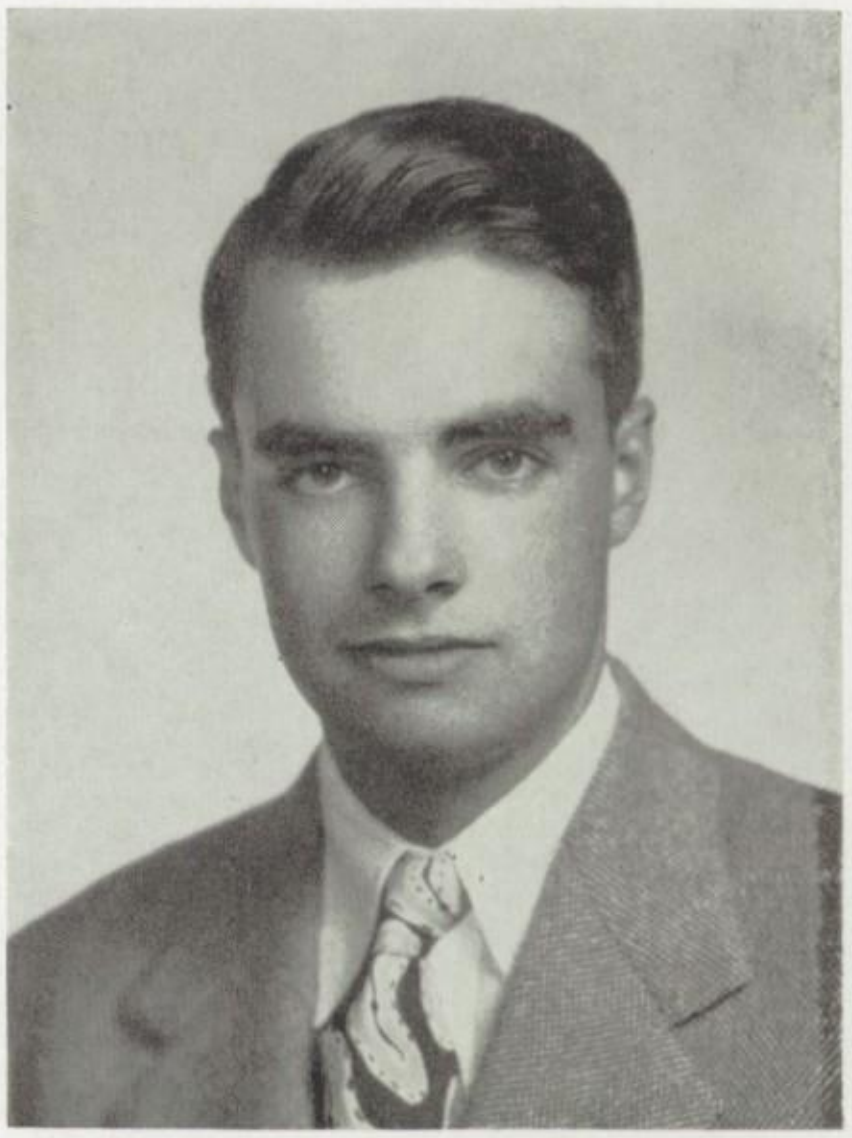
Black Club; Varsity Football, 4; General Athletics, 4; Varsity Baseball, 4; Letterman's Club, 4; Class Officer, 4, President, 4; Gargoyle, 4; Dance Committee, 4.

Ed Tilden, or "Til" as he is known about the campus, joined the roster of day students after being discharged from the U.S. Navy last summer. Coming to LFA from Evanston High School, "Til" has proven to be a great source of amusement around campus circles. This is easily attributed to his drums, the Navy, and his mouth. His athletic ability has been ably proven by his position on the varsity football and baseball teams. The after school activities of this illustrious day boy are blurry, but rumor tells us that "Til" is acquainted with great musicians around the countryside. LFA is losing a versatile student, athlete, and musician in Ed Tilden; and we know he will do well at Princeton, the college of his choice.

THOMAS N. TROLLE

Black Club; Banty Football, 3; Varsity Swimming, 3, 4; Letterman's Club, 3, 4.

Tom came to LFA after spending two years at Highland Park High School. He began his career as a boarder, but after the first term ended he became one of the well-known day boys. Tom is an excellent student, his grades ranking among the highest in the school. Besides being an excellent student, Tom was one of the five returning lettermen on the varsity swimming team; and his ability proved to be a great asset to the team for both years. Tom spent last summer in Sweden with his parents; and upon his return to LFA, he resumed his superior position in the classroom. Tom expects to attend Dartmouth upon his graduation from LFA.



FREDERICK G. UHLMANN

Orange Club; Banty Football, 1; Junior Varsity Football, 2, 3; Varsity Soccer, 4; Frosh-Soph Basketball, 1, 2; Junior-Senior Basketball, 4; Varsity Tennis, 1, 2, 3, 4; Letterman's Club, 3, 4; Forum, 4; Glee Club, 4.

Fred Uhlmann is one of the very few four-year seniors at LFA. During these four years, he has been both a boarder and a day student, although the latter has proved to be his preferred status. Fred has managed to enter every phase of student life, and he has been an active participant in many activities. Athletically, Fred has earned varsity letters in two sports. He served as an important member of the tennis team for two years, and he was a fullback on the varsity soccer team during his senior year. After graduation Fred plans to enter Washington and Lee University. We wish him continued success in his future undertakings.

HORACE SNYDER VAILE, JR.

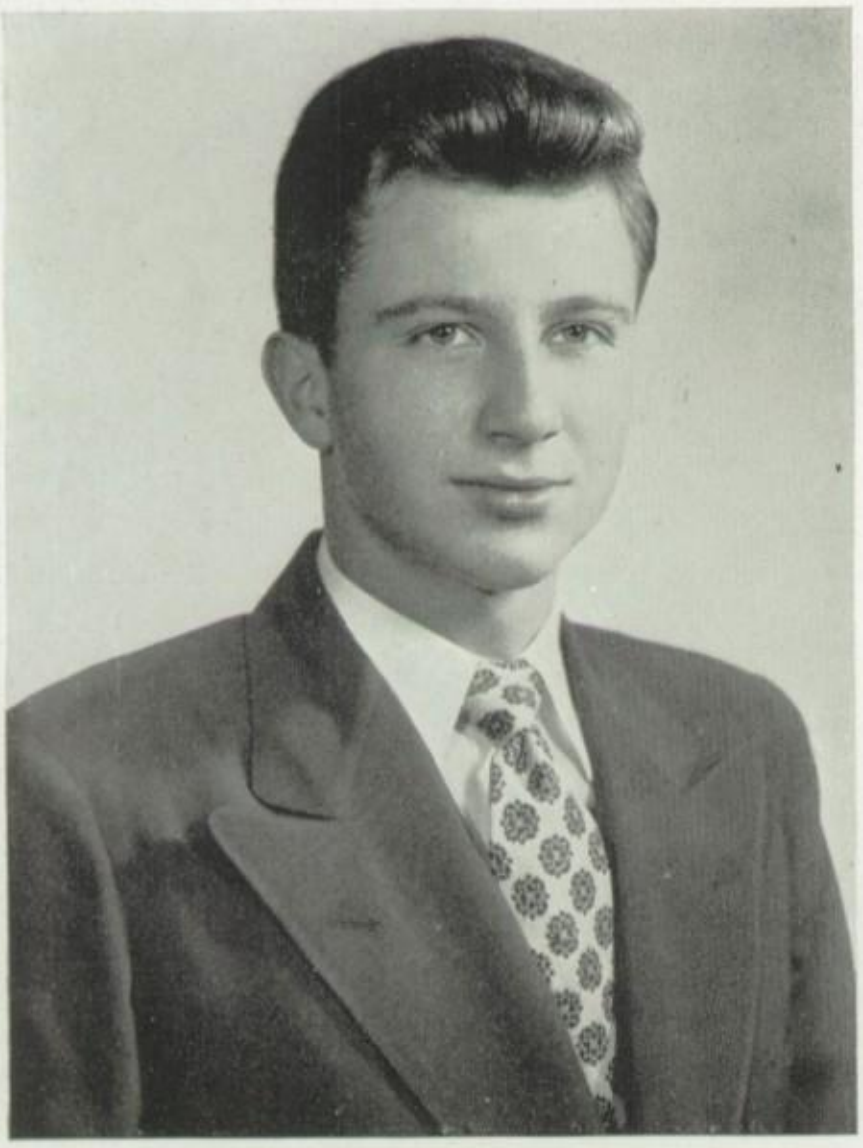
Black Club; Junior Varsity Football, 2; Varsity Football, 3, 4; Varsity Swimming, 2, 3, 4, Captain, 4; Varsity Baseball, 2; Varsity Track, 3, 4; Letterman's Club, 3, 4; Class Officer, 2; Student Council, 4; Forum, 4; Senior Choir, 2; Glee Club, 2, 3.

When Horace Vaile came to LFA, his numerous abilities and qualities were immediately recognized by one and all. While at Lake Forest Academy, "Chip" exhibited abilities in all fields—studies, athletics, leadership, and school spirit. "Chipper" is not only outstanding in the classroom and a staunch member of the Student Council; but he is a noble, self-proved athlete. He was a letter winner in football and swimming, and he was elected captain of the swimming team for his senior year. When the school loses Horace Vaile to Washington and Lee University, a two-fold loss will be suffered; for his cherished "model A" will also vanish from our midst.

JACK ALAN WELLMERLING

Black Club; Banty Football, 1; Junior Varsity Football, 2, 3; Orange and Black Football, 4; Varsity Basketball, 2, 3, 4; Varsity Baseball, 1, 2, 3, 4, Captain 3; Letterman's Club, 1, 2, 3, 4; Student Council, 2, 3; Class Officer, 1; House Committee, 1, 2, 3, 4; *Spectator*, 3, 4; Gargoyle, 4; Science Club, 2; Forum 3, 4.

Four years ago, the LFA campus was graced with a shy lad from central Illinois. Since then, this Bloomington boy not only grew in stature, but also in renown among his classmates. Jack was a member of the Student Council, captain of the baseball team, and a class officer. This third floor Remsenite was one of LFA's strongest supporters of social events. It is said that Jack was never a stag. Usually his date represented the "Hall;" but every year when Spring Festival rolled around, his connections with the "school on the lake" seemed to sever, and he resorted to his beloved Bloomington. Next year we expect to see Jack continue to make a name for himself at Colorado College.



WILLIAM PARMENTER WILSON

Orange Club; Junior Varsity Football, 3, Captain, 3; All-Star Football Team, 4; Varsity Basketball, 3, 4; Varsity Baseball, 3, 4; Letterman's Club, 3, 4; *Caxy, 4; Spectator, 4;* Glee Club, 3, 4; Senior Choir, 4; Gargoyle, 4, Vice-President, 4; Dance Committees, 3, 4.

Two years ago "Uncle Willy" entered LFA. Since then, his great personality has made him one of the most popular and well-liked fellows on the fourth floor of East House. During his junior year, Bill captained the junior varsity football team and held down the catching position on the baseball team. His social life stood firm through both of his years at LFA, and the extent of his other school activities was unsurpassed. Bill's likeability and gift of gab should make him a great success in advertising, his chosen field. Next year Bill plans to attend Northwestern University.

LFA 27, MUS 0

By scoring touchdowns in the first, second, and fourth periods Lake Forest began its 1946 season with a victory over MUS, 27-0. The Caxymen, sparked by Lohnes and Captain Hungerford, proved their superiority with long runs and outstanding line charges.

MCD 7, LFA 6

Lake Forest lost their first game to a speedy MCD team despite a driving second half. Led by Hungerford and Bartlett the Caxymen countered a third quarter tally but failed to make the extra point.

LFA 21, BLAKE 7

LFA began its series of games with Blake School of Minneapolis with a 21-7 victory. Scoring after the first four plays of the game, the Caxymen remained superior and were rarely in trouble. Lohnes, who scored two touchdowns, and Tilden, who kicked all three conversions, played superbly.

LFA 19, ELGIN 6

The Lake Forest Academy gridmen pushed over three touchdowns in the third quarter to trounce Elgin Academy, 19-6. The Caxymen, in winning their first conference game, were sparked by Gregor and Bartlett in the backfield, and Balog and Oatman in the line.

LFA 7, CULVER 7

Coming from behind on a 97 yard kick-off touchdown by Jack Lohnes and an expert conversion by Ed Tilden, Lake Forest Academy succeeded in tying their homecoming game with a highly rated Culver eleven. The Caxymen played their best game of the season and showed superb spirit and team cooperation.

LFA 12, ST. JOHNS 6

St. Johns Military Academy ended up on the short end of a 12-6 score as the Caxymen won their second conference game. Touchdowns were made by Lohnes and Hungerford. Morrison and Motchman played an excellent game in the line.

LFA 12, PARK 12

Lake Forest Academy was held to two touchdowns and was forced into a 12-12 tie with Park School of Indianapolis. The Caxymen made both of their touchdowns in the first half; however, a determined Park eleven came from behind and tied the game in the second half. Morrison, Balog, and Captain Hungerford played outstandingly for Lake Forest.

PULLMAN TECH 46, LFA 6

A rugged Pullman team outclassed a determined LFA eleven in the Caxymen's last game. LFA, except for the third quarter was entirely outplayed. The Caxymen scored their only touchdown on a 55 yard pass from Lohnes to Balog near the end of the first half. The final conference standings found LFA in third place.

CHICAGO UNIVERSITY HIGH SCHOOL 3, LFA 1

Lake Forest Academy's soccer team lost its first game of the season to Chicago University High School by a score of 3-1. The Caxymen, playing against heavy odds, were forced to play a defensive game. The single goal was scored by Balbach.

VON STEUBEN 6, LFA 2

Despite a 2-0 halftime lead, the Caxymen lost to a more experienced Von Steuben eleven, 6-2. Playing in the rain and mud, the younger, lighter LFA team was unable to keep up with the former Chicago City Champions. Goals were made by Balbach and Stan Anderson.

CRANE TECH 10, LFA 1

The Lake Forest soccer team concluded its season by losing a 10-1 decision to a powerful Crane Tech team. Finding themselves completely outclassed, the Caxymen were scored upon almost at will. Although the team lost all three of its games, it should be highly commended for the spirit it showed throughout the season.

This year's banty football season was jam-packed with thrills and excitement. Throughout the season, however, the lightweights played bigger and heavier ball clubs. In their first contest the team was held to a scoreless tie by North Shore Country Day. Later in the season, however, the mighty midgets showed marked improvement by beating the same team by a 6-0 score.

The team was sparked by Boyle, the hard-driving fullback; Thomas, a guard; and Gentry, a tackle. Coaches Fremd and Howe expressed the belief that even though the banty records did not shine, the season was a success. The records showed one victory, one tie, and four defeats.

This year a new method of intramural football replaced the old junior varsity system. Under the new system, two teams representing the Orange and Black Clubs engaged in weekly gridiron battles. The winner of the five game series received the honor of playing an outside team. The Orange team won this year's series by winning four of the five games. The competition between the two teams was keen throughout the season, and the completion of the series was highlighted by the picking of an All-Star team representing both squads. This All-Star team played the varsity's second string at the end of the season and astounded the whole school by winning 19-6 after a sensational battle. Sparked by two touchdown passes from Moore to Gundersen, the entire All-Star aggregation played a superior brand of football.

Ambitious?

With the coming of King Winter with his icy blasts and snow drifts, also came King Basketball accompanied by his cheering crowds, his excitement of thrilling last-minute victories, and his stirring exhibitions of skill and courage. King Basketball seemed to smile on the Caxymen this year, for as the curtain came down on the final game of the season, Lake Forest remained as Midwest Prep Conference Champions.

As the season opened the Academymen dropped their opener to MUS, 32-26. The newcomers to LFA's starting lineup showed much promise, but the team as a whole was ragged and in need of polish. The floor work and steady playing of Captain Robert Jones held the Caxymen together, but their inability to score provided the margin of victory.

The team dropped their first conference game of the season in an overtime to Pullman Tech, 46-42, after they had annexed their first triumph of the season over MCD, 37-24. The team then played host to Elgin Academy and was again beaten, 52-36. Balog, Pagenkopf, and Gregor were influential in providing the teams offense; but the lack of working together acted as a great hinderance. On their first road trip the Caxymen broke even by thrashing a highly rated Culver quintet, 36-32, and then losing to Park School, the pre-season favorites, by a score of 47-37. Through his steadiness and accurate shooting, Buddy Balog continued to distinguish himself as the team's mainstay.

Returning to their home court, the Caxymen began a comeback that eventually led to the conference championship. Journeying to Milwaukee, the Academymen defeated St. Johns, 34-31. Coach

Friery had ironed out most of the offensive difficulties and the team clicked like a well-oiled machine. After St. Johns, conference victories came fast and steadily. The Caxymen upset Pullman Tech 32-29, and then took time out to lose a non-conference game to MUS, 54-37. The team then settled down to drop Culver, 52-46; Elgin, 41-39; and St. Johns, 49-42, in consecutive order. Phil Hungerford contributed heavily to the attack against St. Johns by scoring 23 points. Winning their last four conference games brought the Caxymen back into the light as possible conference contenders. In order to win the conference, however, Park School, the current leaders, had to lose both of their road games. St. Johns upset Park in the game at Milwaukee; and when Park journeyed to Lake Forest, the Caxymen were groomed for the battle. In one of the most sensational games in several years, the LFA cagers outfought, outplayed, and outscored their opponents to win the conference championship, 42-38.

The conference tournament saw LFA eliminated in the semi-finals by the tournament champions, after the Caxymen had edged out Elgin in the first round by a score of 50-49. The dependability of reserve Chuck Mead, who swished three consecutive free throws, enabled the Academymen to reach the semi-finals. Special recognition was given to Buddy Balog, stellar Lake Forest guard, who was chosen on both the all-conference and all-tournament teams.

This year's basketball team played their games with a higher goal than ever before. They played the game to the best of their ability, never giving up, and always putting up a good fight against every foe.

This year the Academy tankmen competed in nine meets and completed the season with the disappointing record of two wins and seven losses. The record, however, did not represent the spirit of the team. They had to compete against such outstanding schools as De Paul, Loyola, and Fenwick, the Catholic league champions for the past nine years. Their performances against these teams made this season a very successful one from the standpoint of the coaches and swimmers.

This year the medley relay and the freestyle relay teams were exceptionally good and were almost always sure point-winners. In Culver's Invitational Meet, LFA placed fifth in a field of eight teams. It is fortunate that this year's team was made up of a great many underclassmen. With the experience gained this year, we can look forward to having an even better swimming team next year.

Ferry Hall Calling Night

As has been the tradition in previous years, Ferry Hall again entertained the Academy at the first of the year's social occasions, "Calling Night". This greatly awaited event took place on Saturday evening, October 12. At 7:30 PM the evening of festivities began in the North Lounge where each boy was introduced to a partner. Dancing began soon afterwards to the music of famous bands (via records). In order to favor the making of new acquaintances and the renewing of old ones, partners were switched often during the early part of the evening; and novelty dances such as the "broom dance" and girl's choice were featured.

In the adjoining lounge there were cards and checkers for those who were not dancing, and throughout the evening punch and cookies were served to enhance the enjoyment of the affair.

In the latter part of the evening the more stalwart couples received instruction in the art of square-dancing from Mr. Riechers, the Hoosier Callmaster. After leading several demure and blushing damsels on to the floor to demonstrate, he was ready to begin. The dancing began with a "Bow your partner right and left" and progressed steadily, culminating in general confusion. Mr. Reichers informed the press that he was satisfied with his pupils, considering their inexperience in this field.

Ferry Hall – L. F. A. Buffet Chapel Services

In previous years, some of the year's most memorable events have been the combined chapel services held by Ferry Hall and the Academy. This year the first of three such services to be held during the 1946-47 school year took place on Sunday evening, November 10th at the Academy. The procedure for this service was somewhat different from what it had been for the previous ones. The evening began with the arrival of the girls at six o'clock, after which dinner was served in Hixon Hall at six-thirty. After dinner everyone remained in Hixon Hall until seven-thirty at which time the boys escorted their guests to the gym where the actual service then began. The combined choirs of the two schools opened the service with a hymn. The speaker for the evening was Rev. H. Neville Tinker who had as his subject the "The Ten Commandments: What they Mean and What They Should Mean to Us." The service concluded with another hymn. The girls then returned to Ferry Hall and the Academy students adjourned to their rooms with the feeling that this pleasant and profitable evening had been one of the best combined services the schools have ever had.

Lettermen's Dance

The long awaited Letterman's Dance finally arrived. Since the Homecoming Dance was called off, this dance was the opener of social affairs at the Academy. Before the dance a buffet supper was served in Hixon Hall, which was decorated to represent LFA's gridiron. After supper everyone adjourned to the common rooms or to the faculty lounge. At eight-thirty Hixon Hall was transformed into a dance floor. The lights were dimmed and the couples danced to the music of Dick Lewis.

The most informal dance of the year was the "Hobo Hop" which was held on February 8th. The "Hop" was sponsored by the dance committee to replace the cancelled Homecoming Dance. The dance was held in Hixon Hall which was suitably decorated with assorted tatters similar to those worn by transient individuals. The music was furnished by "Til's Five" under the direction of Ed Tilden. Costumes worn represented such various locales as Harlem, the Bowery, the Wild-West, and Mexico.

Senior Prophecy

STANLEY ANDERSON: Because of Stan's outstanding brilliance in Chem-Phys, he will return to LFA as an assistant master of the course, *Sub-Freshman's Simplified General Science.*

EMERY BALOG: His earnings will come from the royalties of the book he will publish entitled, *You Have No Friends, No One Likes You.*

ROBERT BALLENGER: It is a well-known fact that Bob will go into science in order to spend his lifetime in research on the Cosmic Bomb—its contents and strength.

JAMES BARTLETT: Jim is known to be an expert with a camera so we believe that he will become one of the best photographers South State Street has ever known.

ROBERT BELT: Bob will probably spend his life in Highland Park as a soda jerk at Dick Tracy's or as an usher at the Alcyon Theater.

DAVID CARY: Because Dave lives in the heart of the dairy country, he will return home and become Greenbush's "Big Cheese."

JACK CLAGHORN: Because of Jack's eloquent persuasive abilities, he will become the only man from LFA to be hired as minister of Half Day.

JOHN DYSON: "Picker" will patrol the "VyeRowQewe" (English for the native name) village park as a great artist of the overpowering profession of paper collecting.

TIM ELLIS: It is quite apparent that Upper Remsen's finest "Rah Rah Boy" will thrill the opposite sex with his ballet dancing at the Rialto.

PHILLIPS HUNGERFORD: As president of the Student Council Phil has displayed outstanding qualities in leadership. It is our belief that he will rise to the honorable position of mayor of Highwood.

EDWARD HUTCHESON: "Hutch" will go down in the annals of history as one of the finest peanut venders this country has ever known.

WILLIAM KEADY: "Keado" will devote his life to building up the social activities of Chicago and vicinity as head waiter at the Green Duck.

HATH KEMPER: Because of his popularity, "Big Boy Hathaway" will run Chicago's First Ward as bartender in Kenna's old dive.

GEORGE LANDFIELD: In view of George's great power over women, he will become the first Headmaster of Ferry Hall.

Senior Voting

EDGAR LEWIN: Bud will become one of the world's greatest sporting figures when he acquires the position as head bat-boy of the Pittsburgh Pirates.

JACK LOHNES: Because Jack is fleet of foot, he will become Highland Park's only independent dog-catcher.

ROBERT LOPEZ: LFA's literary titan will become editor of *Western Romances*.

JOHN MADDEN: John will become the head bottle capper for the Anheuser-Busch Brewery Company.

ROBERT MADDEN: Bob will spend the rest of his life dodging big winds.

ROBERT MATTESON: N.B.N. (Noise Before Noon) Matteson will make a fortune as an understudy for Mortimer Snerd.

ROBERT McMANUS: Having already acquired the necessary figure, the North Shore's own "Hot Guy" will be a bachelor and "Bloody 41's" Irish traffic cop.

CHARLES MEAD: As is inevitable C.F. will head the C.F. Coal and Ice Co. which handles unlimited supplies of natural gas.

JOHN MORRILL: Because of his unusual talent, John will sponsor radio's first silent hour.

JEROME MORRISON: Jerry will be the first Janesville convert to the ball-point pen and will be ridden out of town on a rail.

DAVID MURPHY: For "Murph" we predict a dark future. He will be married and stay that way.

WILLIAM MYERS: After raising a goatee and mustache Bill will pose for Calvert adds.

HIRAM NOWLAN: Bud's ingenious mastery of various sciences leads us to believe that he will discover gun powder in 1987.

DAVID OATMAN: There can be no doubt as to Dave's occupation through life—"Coolie Labor".

JAMES OLSON: Hopeless!

Senior Prophecy

GEORGE PARKER: George will disappear at an early age in an attempt to prove that Parker pens will write farther under water than any other pen.

MAC REYNOLDS: Mac will replace a wind tunnel at Langley Field.

WEBSTER RYAN: With Web's capitalistic instincts he will lead the communistic revolution, on the socialist's side, against the pressing fascists.

DAVID SMITH: Dave will devote himself to the cause of the "Lounge Lizard's Lamenting Society" on a davenport in Davenport, Iowa.

ROGER STRECKER: Unable to break away from commuting, Roger will become a North Shore conductor.

EDWARD TILDEN: "Til" will set up the first foreign operated drummery school for ambitious bushmen at Kasongo on the Congo.

THOMAS TROLLE: Tom will win international fame for his famous way of preparing smörgasbord at the Swedish embassy.

FRED UHLMANN: Each year Fred will bundle his huge family into his 1937 Ford and head west to help pick the grape crop.

HORACE VAILE: Because of "Horsey" Vaile's love of antique cars, he will become an ardent collector of Stanley Steamers.

JACK WELLMERLING: In accordance with his agressive abilities with the fairer sex, Jack will be the author of a best seller entitled *Why I Hate Women*.

WILLIAM WILSON: Bill is interested in advertising, so we believe he will attain a high position as a sky-writer for Pepsi-Cola.

The Best the

The pictures on these two pages are reprints of the best cuts that have appeared in the *Spectator*. During the year the *Spec* staff has done a splendid job in supplying the student body with continuous news and entertainment. Special recognition should be given to David T. Murphy, *Editor-in-Chief;* James G. Olson, *Associate Editor;* James Bartlett, *Photographic Editor;* and William Keady, *Business Manager*.

In dedicating this section to the *Spectator*, we want to suspend (for the time being) our perennial feud to congratulate the *Spectator* staff on a job well done.

75 YEARS

Have seen this office dealing only in Good Insurance. The only really Good Insurance is that which is backed by dependable service. That has always been our practice.

•

It is quite likely that our office was privileged to serve the insurance needs of your grandfathers and of your fathers and probably many of your homes, your automobiles, or personal property are protected by insurance written in our office.

•

The insurance business has much to offer to young men starting out on business careers. You should learn about its possibilities. If not to actually engage in it, you will be a buyer of insurance and we will always be glad to discuss your problems with you.

Good Will

It is certain that there is only one way to build and retain good will and that is through the giving of worthy needful service in such a way as to create public confidence. Private insurance over these many years has been successful because it has viewed its service as a sacred trust. "We promise to pay—" has been made to perform exactly as put down and that's why increasing numbers subscribe to the idea that it is better to be safe than sorry—.

THE PARTY'S ON!

So delicious, so wholesome!

KRAFT CHEESE SPREADS

for snacks and sandwiches

Party refreshments are no trouble when you start with these cheese spreads that are already prepared for you by Kraft. Just serve them with crackers and relishes, and let the guests pitch in. It's the kind of hospitality that makes everybody happy—including the hostess!

Keep several delicious Kraft varieties ready at your house for hearty sandwiches and gay snack parties, too. There's Kraft Pimento, Olive-Pimento, Pineapple and Relish Cheese Spreads; "Old English," Roka and Kraft Limburger Spread. In buying, look for the Kraft labels—and then pick your folks' favorite varieties.

THE WORLD'S FAVORITE CHEESES ARE MADE BY THE MEN AND WOMEN OF KRAFT

Wishing You A Prosperous Future!

With the completion of your basic education and cultural training, we want to congratulate you upon your excellent preparation for the future. We know that many of you are starting out in life equipped with Parker writing equipment. It, too, is basically sound and we are sure that it will serve you faithfully and well during your life of activity.

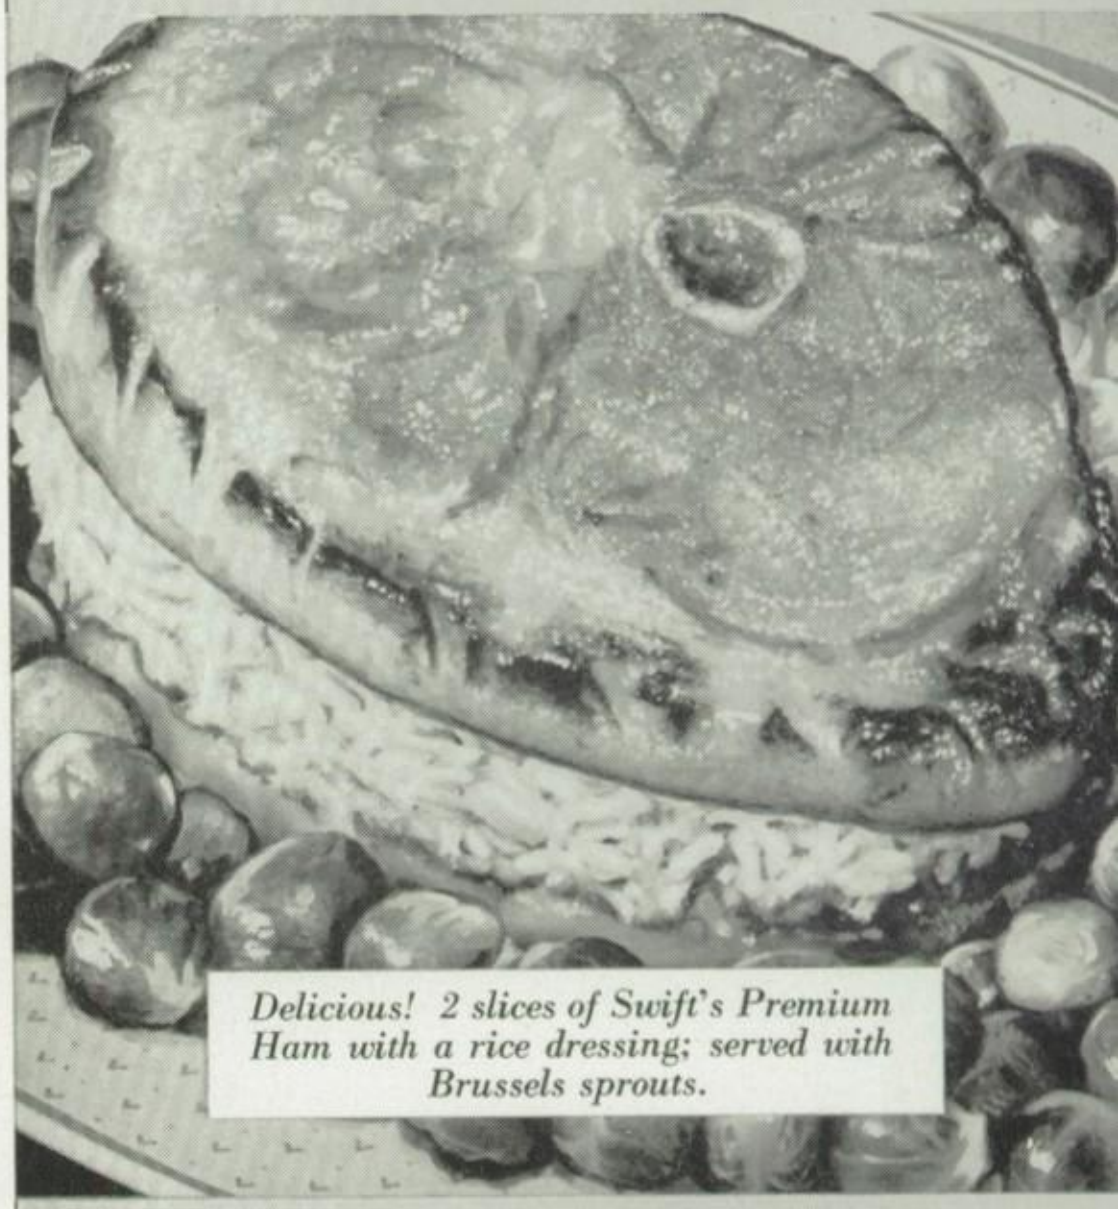
FOR YOU, we've built a high tradition



Delicious! 2 slices of Swift's Premium Ham with a rice dressing; served with Brussels sprouts.

RARE indeed is such a tradition of supremacy as has been built for Swift's Premium Ham. Over the years, the effort to give you matchless quality has brought unquestioned leadership. And this leadership is constantly increasing. Checks of public opinion show that—in spite of shortages—more people than ever before consider Swift's Premium Ham "the best".

AMERICAN TRADITION

• Quality, Integrity and Dependability have established themselves as a definite tradition with Pontiac. We have been constantly on the alert for new and improved procedures in yearbook designing and service. Our modern precision equipment is concrete evidence of adherence to this policy. Our experienced craftsmen and servicemen are carefully supervised by experts in the field of distinctive school publications. We are proud to have played a part in the publishing of this book in the capacity of official photo engravers. Our entire personnel congratulate the staff for their splendid work and cooperation.
